

Then and Now: Using the Simple Past

What were things like in the past? How were they different?
Write your ideas. Share them with a partner.

Model:

THEN

Cars in the past looked like boxes.
They didn't have many colors.
Cars didn't go very fast.
Those cars were not as safe as cars today.

NOW

Cars today are cool. They go fast.
Cars are different colors.
Cars are safer now.
